

LEGAL NOTICE
TOWN OF SOUTHLINGTON WATER DEPARTMENT
NOTICE OF PUBLIC HEARING ON PROPOSED WATER RATE INCREASE

Pursuant to the provisions of Section 7-239 of the Connecticut General Statutes, notice is hereby given that the Board of Water Commissioners of the Town of Southington Water Department will hold a public hearing on Thursday, May 14, 2026, at 5:00 p.m. at the Southington Water Department Office, 605 West Queen Street, Southington, Connecticut.

The purpose of the public hearing is to receive public comment and consider the adoption of revised water rates and related service charges, which are proposed to take effect with the July 2026 billing cycle. The proposed rate increase is necessary to continue providing a safe and reliable supply of drinking water and to support the Department’s ongoing operational and capital improvement obligations, including increases in costs related to insurance, labor, fuel, chemicals, power, and infrastructure.

The proposed changes include adjustments to quarterly consumption charges and quarterly meter service charges as outlined below:

Proposed Quarterly Consumption Charges:

Consumption (CCF)	Current Rate	Proposed Rate	Increase
0-1000 CCF	\$4.91/CCF	\$5.13/CCF	\$0.22
Over 1000 CCF	\$4.59/CCF	\$4.80/CCF	\$0.21

Proposed Quarterly Service Charges:

Meter Size	Current Charge	Proposed Charge
5/8"	\$36.28	\$37.91
3/4"	\$36.28	\$37.91
1"	\$53.77	\$56.19
1-1/2"	\$95.67	\$99.98
2"	\$137.52	\$143.71
3"	\$239.51	\$250.29
4"	\$385.16	\$402.49
6"	\$683.79	\$714.59

Interested members of the public are encouraged to attend and provide comments. A copy of the proposed rate schedule is available for public inspection at the Southington Water Department office during regular business hours and on the Department’s website at <http://www.southingtonwater.org>.

Dated at Southington, Connecticut, this 28th day of April 2026.

By order of the Board of Water Commissioners
 Southington Water Department
